

Lifelong Family Health Care

Home Care Package Fee Schedule

Effective from September 15th 2020

Our Home Care packages help you live independently in your home for as long as you can.

The Australian Government provides a subsidy to an approved home care provider towards a package of Care, services and case management to meet your individual needs.

This program is designed to support the basic needs of people so they can continue to live independently in their own homes.

The program assists with:

- Older or frail persons
- Carers who support those who are older or frail
-

Home Maintenance

Huntley Home Care offers a variety of home maintenance and modification services specifically on improving your health, safety and security which includes:

- Dietitian
- Occupational therapist
- Speech
- Pathologist
- Diabetic Educator

Caring for Carers: Respite Care

Huntley home care prides itself on providing exceptional care not only to our clients but to their carers as well, this means that we understand that caring for loved ones is an important job, but we also know that those loved ones deserve a break, and the chance to be able to look after themselves. At Huntley Home Care we provide respite care to offer support to your carers when they need it.

Get Started: Basic Daily Fee

The basic daily fee is set by the government. These fees can range from \$10.54 per day to \$147.56 per fortnight and will be notified by the Australian Government if this is required by you. The basic daily fee is governed by means testing which is conducted after you have been approved for a level home care package which is done by an assessment based on your income.
