Post 1 – Get proof of your COVID-19 vaccinations

Need to get proof of your COVID-19 vaccinations?

It's free to get proof online. Go to my.gov.au and sign in. Then click 'Proof of COVID-19 vaccination'.

If you don't have a myGov account, it's easy to create one. All you need is an email address.

Post 2 – How to get proof if you're not eligible for Medicare

If you're not eligible for Medicare, you can get proof of your COVID-19 vaccinations using the Individual Healthcare Identifiers service through myGov.

Go to my.gov.au and click 'Proof of COVID-19 vaccination' to get started.

You can also get a copy of your immunisation history statement through My Health Record.

Post 3 – How get proof of your child's vaccinations

You can get proof of your child's COVID-19 vaccinations if they're under 14 years old.

Use your Medicare online account via myGov, or the Express Plus Medicare app to view their immunisation history statement or COVID-19 digital certificate (available once they're fully vaccinated).

If your child is 14 years or older, they'll need to get proof using their own Medicare online account through myGov.

Post 4 – Add your COVID-19 digital certificate to a digital wallet

Did you know you can add your COVID-19 digital certificate to your Apple Wallet or Google Pay?

You can do this using the Express Plus Medicare app or through myGov using the browser on your device.

Post 5 – If you can't get proof online

Need proof of your COVID-19 vaccinations?

If you can't get proof online, you can call the Australian Immunisation Register on 1800 653 809 and ask for a copy of your COVID-19 digital certificate or immunisation history statement to be sent to you. Keep in mind it can take up to 14 days to arrive in the post.

You can also ask your vaccination provider to print a copy for you.
